**2012-13 Yields 35 Tons of Venison for Hungry Families**

**Kentucky Hunters and Processors answered the challenge issued by KHFH in its 12<sup>th</sup> year of operation. Over 1300 deer were donated by generous hunters and processed by 43 processors statewide. The Board's heartfelt thanks goes out to all who made this venison available to feed our hungry neighbors. Great praise goes out to KHFH strategic partners, KDFWR, Southeast Christian Church, Dare to Care, and others who provided robust financial and logistical support to help accomplish the KHFH mission: to use the abundant deer resource to diminish hunger in the Commonwealth.**

Ivan Schell, Executive Director KHFH

### How To Donate Your Deer

1. Use a legal buck or doe deer tag.
2. The donated deer *must* be properly field dressed, recorded and telechecked (1-800-245-4263) before we can accept the deer as a donation. (*Handle the deer as if you were providing it for your own family.*)
3. Drop the whole deer off in the hide at your preferred KHFH processor.
4. Sign the donation log form.

"When you serve more than 550 people each and every day on a tight budget, providing variety at mealtime can be a challenge. The venison we gratefully receive from KHFH through Dare to Care allows us to offer something special to our clients. Many of our clients have special venison recipes which they share—bringing a little bit of 'home' to those here working to change their lives. Bless all who help us to help them."
