Moving Forward... Actively Looking for Funding Sources

Help us to locate funding partners and continue the tremendous service we provide to the community. Due to Legislative wording we are short on funding this year. Our program has raised some additional funds but we are still in need.

We need YOU to tell your friends the good that is being done and how they can become a part of this program by making a donation. The heart of our program is truly our donors and we appreciate your dedication and service. If your church or business is considering making a donation for processing, now is the time to act, contact Ivan Schell at 502 589-1000.

To request a donor sticker send us an email letting us know of your donation at kyhuntersforthehungry@gmail.com.
